INVITATION TO SYDNEY INVESTMENT FORUM

Dear fellow shareholder

Following the success of the recent Thorney Investment Forum, held in conjunction with Thorney Technologies Ltd's Annual General Meeting in Melbourne, we have decided to host an investment forum in Sydney later this month.

I would like to extend you a personal invitation to attend this forum where a number of companies in each of the investment portfolios of Thorney Technologies Ltd and Thorney Opportunities Ltd will present. We have invited the senior management from these companies to make a brief presentation and to be available to meet over refreshments. Next week we will send you a full list of the companies presenting.
